## **MAKING A GIFT OF STOCK OR BONDS**

Donating appreciated shares of stock directly to us allows you to support our mission without paying capital gains taxes. You will receive a charitable tax deduction for the full fair market value of the stock at the time it is donated. To maximize your tax benefits, choose shares that you have held for one year or longer. If you hold the stock certificates yourself, please contact us for help. If they are held in your brokerage account, please follow the directions below.

1. Contact your broker. Let him or her know of your intent to transfer stock to an account in Heart To Care Tanzania's name. Tell your broker the type of stock and number of shares you would like to transfer. Most brokers will also require that you submit a written confirmation letter authorizing the transfer to Heart To Care Tanzania. Remind your broker to include your name with the stock transfers. Our account information is as follows:

**Broker:** Charles Schwab & Co  
**Account Name:** Heart To Care Tanzania  
**Account number:** 24124686  
**Tax identification number:** 821342068

2. When you initiate a stock transfer, please notify us so we can confirm with you when your gift arrives. Send mail or email to:
