Heart to Care Tanzania

Investing in the future
through quality education

Our Mission

Heart to Care Tanzania is a USA-based non-profit dedicated to building and sustaining Bethany Pre and Primary School for children in need in Kisongo, a small village in Tanzania. We believe that quality education will equip the next generation with the skills needed to take on the challenges of the future. The charity helps provide the funds, but local villagers own and run the school. Professionals within the community designed the buildings, employed local construction workers, and selected their own teachers and staff.

Heart to Care Tanzania is a family project. Generous friends and family members contribute their time and materials for our fund-raising efforts. This way 100% of your donations go directly to support the school. We've organized fundraisers such as plant sales, garden parties, concerts, and other special events, but our greatest support is through faithful donors!

Sponsor a Child

We believe education has the power to change children's lives, their families, and communities. Sponsorship helps fund decent wages for our teachers, food for the children's meals, and buses for those who live a distance away.

Many of our generous donors have sponsored a child. Sponsorship costs little more than a dollar a day. We invite you to become a sponsor too!

Visit our School – Book a Safari!

Emmanuel Boaz, the CEO of Bethany Pre and Primary School, is also a certified, professional tour guide. Emmanuel grew up in Tanzania and is passionate about sharing his knowledge of the landscape, wildlife, and culture of the region.

Join Emmanuel for an unforgettable wildlife safari. Afterwards, you will have the opportunity to visit our school and see how our children are thriving. Ten percent of each safari sale is donated directly to Bethany Pre and Primary School.
